

LED DISK LIGHT

Features:

- Offers 3CCT or 5CCT and nightlight options
- Easy Installation: LED disk light can be installed in any 5" or 6" recessed housing or any 2.75", 3.5", or 4" Junction Box.
- Ultra thin design provides a simple but elegant view making it extremely versatile
- Excellent Color Consistency and CRI
- Smooth Dimming: The led recessed light's high quality driver allows our light to dim. Designed for continuous dimming. down to 10%, standard 120- Volt electronic. Low-voltage dimmer is recommended for best performance.

Wide Application

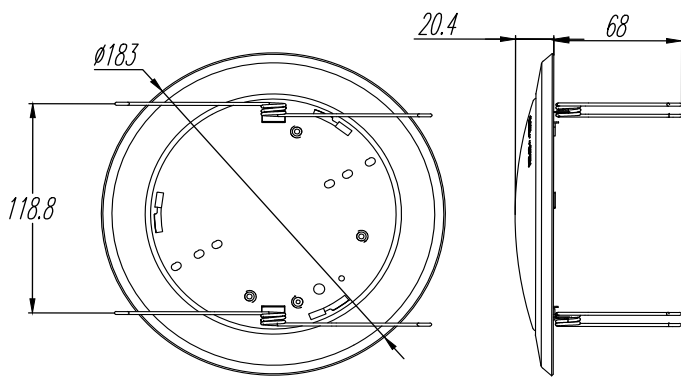

Ideal using at kitchens, hallways, bathrooms, closets, laundry, porches and garage work rooms.
