

150W WCJ Wattage Adjustable UFO High Bay

Product Features

- High heat dissipation aluminium die cast housing.
- 120-277V universal voltage.
- Wattage Selectable.
- Supplied with 1.5m wire and plug.
- Excellent Cooling System.
- 0-10V dimming standard.
- Waterproof structure housing.

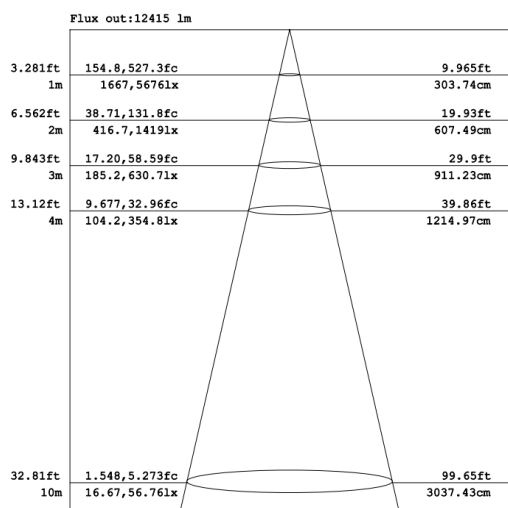

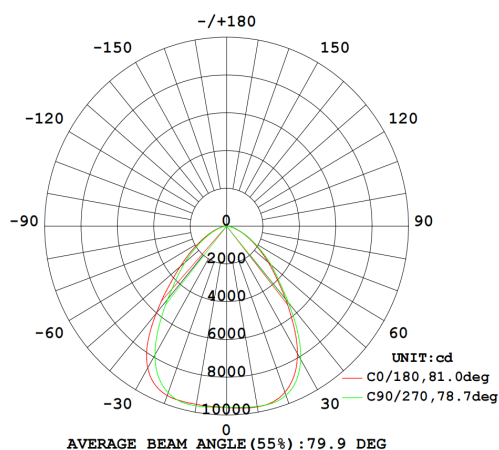

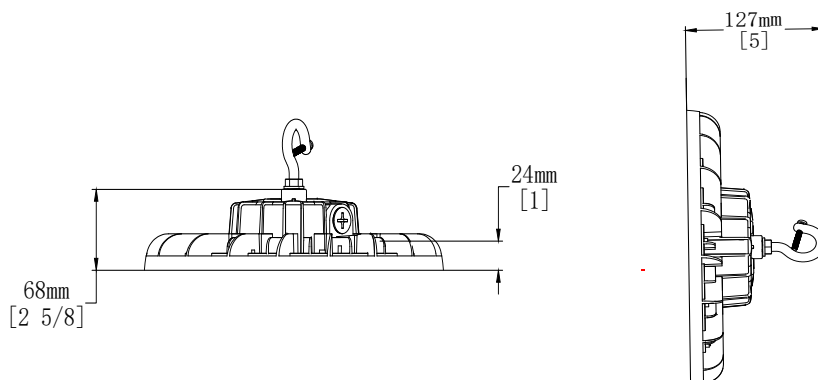

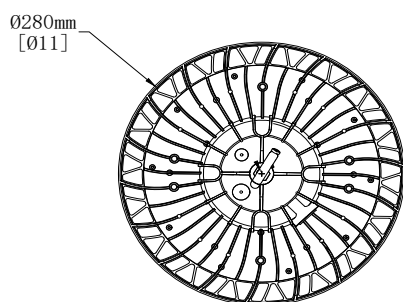

150W WCJ Wattage Adjustable UFO High Bay

Specification Overview

Model	Power	Input Voltage	Colour Temp	Lumens	Beam Angle	Trim Colour	Dimensions
KLHB150WCJ	150/120/90W Adjustable	120-277VAC	5000K	19500lm	80°	Black	Ø280x68mm

Product Specification

Specification

Model	KLHB150WCJ
Colour Temperature (1CCT)	5000K
Lumen (lm)	19500 lm
Efficiency (lm/w)	130 lm/W
Light Source	LED
CRI (%)	≥80
Beam Angle	80°
Power Requirement	120~277VAC
Power Consumption	150W/120W/90W Adjustable
Dimmable	0-10V
Housing	Die-cast aluminium
Operation Temperature	-40°C~+45°C
Product Dimension	Ø280 x68mm
PF	≥0.5
Warranty	5Years
